A DAY WITH THE FAMILY IN MEGÈVE

Some ideas for memorable family moments this summer!

A day outside

- ① Older children can set off on an electric mountain bike trip to the mountain pastures, where they can sample delicious local cheeses, while younger children can follow in the footsteps of Billy Bosteu and carry out an investigation to find out who has eaten Grandma Thérèse's apples.
- ② Treat the family to a whitewater experience for an amusing exit from your comfort zone. Spend the afternoon at Le Palais pool, where younger children can have fun under the jets in the aqua play area or on the racer slide.
- ③ Get away from it all in the evening in the mountains. Experience the thrill of sunset and an evening meal in a mountain refuge under the stars!

A day inside

- ① Enjoy some relaxation at the Le Palais spa during a child/parent paired massage or take advantage of the various sports facilities at Le Palais (swimming pool, balneotherapy, ice rink, climbing wall, fitness centre).
- ② Lunch in one of Megève's countless restaurants.
- ③ Marvel at the 'Murmure des sous-bois' exhibition, explore the digital museum Micro-Folie and enjoy the virtual reality area.
- ④ Visit the Cheval de Feug stables and learn about the history of horses in Megève before setting off on a horse-drawn carriage ride.
- ⑤ Then, savour a delicious meal together as a family in a mountain farm.
